Dear Mr. DePietro,

On behalf of the Ledyard Rotary Club, I wish to thank you for the special services you provided to the Ledyard Rotary Club for our End Hunger event at the Ledyard Middle School on March 25. You were a life saver to us and especially to Fred Allyn, Jr. and Rachel Albers.

Storing the bulk product at your storage facility earlier in the week and delivering it to the Ledyard Middle School was a life saver for us. We are most grateful for your donation of storage and delivery.

Our goal was to package 103,000 meals for the hungry, and we packaged 115,560 meals. We had over 500 volunteers that day, and many of them were able to participate in the wonderful wings and salads you provided. Because of your generous in-kind donation of storage and delivery, we were able to provide meals to the Haitian Health Foundation, United Way, Gemma Moran, My Sister's Place, Bridgeport Veterans, Shoreline Soup Kitchen, Groton Social Services, and Montville Social Services.

Again, thank you so very much for your generous donation. This entire event, including your participation, is a great example of community gathering and working together for the greater good.

Sincerely,

A handwritten signature in cursive script that reads "Ellen Swercewski".
